Grand Jury to Investigate His Sale of Land to

"This phase of the 'land ring's' operations," said the District Attorney, 'shows remarkable instances of high linearing. Indorsing Bennett

Chairman of the Republican County Committee Is Said to Favor Mitchel

The Queens County Republican Committee mee last night at the Richmond Hill Republican Club and adjourned without any formal indorsement of William M. Bennett, the Republican nominee for Mayor. It was expected that such action would be taken. Joseph H. De Bragga, chairman of the Queens committee, declared after the meeting that the matter had been put over in order to determine the senti-ment of the Republicans throughout

Governor Whitman. They are said to head a faction in the committee who want Bennett indorsed. With a good deal of trouble Chairman De Bragga succeeded in holding the committee in line for Mayor Mitchel prior to the primaries. He would like to see Mayor Mitchel indorsed, according to his friends, but a compromise is more likely, by which the committee will let the matter go by default and take no formal action.

an order from Justice Whitaker, of the Supreme Court, to substitute Bennett's name on the ballot as the Republican candidate for Mayor. Assistant Corporation Counsel Nicholson appeared for the Board of Elections and Alfred Becker, Deputy Attorney General, represented the Secretary of State. All parties concerned consented to the order.

Technicalities were waived by all par ties in order to facilitate the substitu-tion of Bennett's name so that it could appear on the ballots which will he sent to the soldiers in France. The printing of the soldiers' ballots began last night.

New York University's gridiron aspirants were put through a most severe test of endurance and grit yesterday afternoon on Ohio Field.
